Volunteering – The Club is a non-profit making organisation run by its members for its members. Many Members already help support the Club in some way or other but more help is required. For the efficient running of the Club it is essential that all members complete the Duties list below - indicate the duties you would like to be considered for (where necessary training will be provided). Please commit to regular dates for say sailing support or bar duty and if you are unable to keep to the dates then find an alternative member to replace you. Your help and support is very much appreciated.

Contact - Most members are kept informed about Club events and decisions through the website and e-mails, for example through the Blog. If you have an alternative preference please let a Committee Member know.

Next steps - Return the completed application form (and monies) to the Membership Secretary by hand or via the white box on the wall in the bar area. The next step will be for the application to be considered by the PYC Management Committee, who meet on a monthly basis, and following their decision you will receive notification and, where approved, membership cards will be issued.
