

Hi Everybody,

What a busy couple of days starting on last Friday evening and lasting until today! A whole five days with lots of our members getting together, beginning with The Smileys entertaining us with various choices of music getting us to show the world how to boogie or just how to enjoy!!! Great fun.

On Saturday Christmas eve afternoon, the Bar was open for a couple of hours but we only had a few members come over to join us at the Club. On Sunday however, we had a good number come over after 12 noon to join Paul the Commodore to celebrate a drink with him and it was great to have lots to come over to share a drink or or two before heading home to cook their food to celebrate - although it did eventually go on a while!

On Monday the Bank Holiday, we had Allan F, his brother and Kevin taking the PYC Sailing boat on wheels entry around the Pagham Pram Race from 11am to the delight of all of the audience watching.

After quite hard work running around the pram race, the boat was finally awarded a second prize. Well done boys!!! Stunning!

Members watching the racing eventually came back to the Club when it was finished and celebrated a good morning. Although the Bar was open from 12 noon, many thanks to the Commodore Paul and to Treasurer David who kept the Bar open from that time until nearly 6.30pm. A bit later than expected but made sure that everyone was taken care of.

The Bar is open again this afternoon for the final Bank Holiday this year, with normal times until the next Bank Holiday on 2nd January 2023. Happy days!
